REVIEW OF COMMITTEES

Electrical work needs to be performed near the pool area. A drain needs to be dug out to prevent center flooding during heavy rains. Volunteers will be gathered for such project. Prior Parkglen members are assisting with the deed restrictions. Six (6) deed restriction letters will be going out soon. Members will go to Sam's Club for fundraising purposes. The hot dog event took place the day the pool was open to residents and it was said it went well. The park has continued to be locked every night which has prevented late night break-ins, something that was an issue in the past. It was said that some residents have complained about an increase in drug activity in the neighborhood. Members will seek for police presence around the neighborhood; which residents were encouraged to request as well.

OLD BUSINESS

Four accounts will be sent to the attorney; one will be tried again in hopes to recover past dues without legal involvement. In regards to the application for speed humps, it was said that the application is being reviewed and going through the process to see if Parkglen will qualify.

NEW BUSINESS

Members discussed ongoing issues regarding a Parkglen property, including legal action taken against said property. Neighbors Night Out is October 4, 2016, and promotional items will be ordered ahead of time.

The next board meeting is set for July 12 and the next members meeting is set for July 26, 2016.

The meeting was adjourned at 8:15 pm.
