

CITY OF HOUSTON NOISE AND SOUND PERMITS

If you plan to exceed the following sound levels at your venue, you need a permit:

68 decibels (db) at any time on a **non-residential** property.

— or —

65 db during daytime hours (8 a.m. to 10 p.m.) or
58 db during night time (10:01 p.m. to 7:59 a.m.) at
a **residential** property.

If you determine you need a permit, please choose one of the following:

Daily Permit

Permit validates the use of sound amplification equipment at a specific location or upon a specific route on a designated day between 8 a.m. and 10 p.m.

Extended Daily Permit

Permit validates the use of sound amplification equipment at a specific location or upon a specific route at designated times for up to five consecutive days. Permit is valid between 8 a.m. and 10 p.m.

Annual Permit

Permit validates the use of sound amplification equipment at a specific location or upon a specific route at designated times for one year from the date of permit issuance. Permit is valid between 8 a.m. and 10 p.m. Sunday— Thursday; and between 8 a.m. and 11 p.m. Friday — Saturday.

**Visit www.houstoncityfees.org to find permit fees.*

Finally, choose one of these two ways to get a permit:

PLEASE NOTE

A permit allows sound up to 75 db, but never greater.
